

Safeguarding Reporting Form – Child (U18)

If you suspect that a club member under the age of 18 may be being abused, it is not your responsibility to take control of the situation or to decide whether the abuse is actually taking place. However, you do have a responsibility to inform the appropriate people about your concerns so that they may make enquires and take any action necessary for the well-being of the child.

However small your concern, you should share it with the Club Safeguarding Officer who will take responsibility for referring it to the County Safeguarding Officer/ NGB Safeguarding Officer or other agencies. Please ensure that confidentiality is maintained as far as possible. Only discuss your concerns on a need-to-know basis, and do not disclose the identity of those involved unless absolutely necessary.
